...

Replying to @Schlegel335

You will be so happy. Try to buy a little every dip and **take profit** \$spom will change you life welcome to the family!

Alexander Delarge 655321 @AlexDelarge6553 · Jun 2, 2020

...

Question who thinks \$spom will not hit 60 cents in the next 2 weeks .who is gonna admit selling 26 cent shares that are worth 60 in 2 week . dont be shy whos selling. I'm buying all the \$spom

In efforts to help OTC traders this is how you treat A trips runner hold a big base and on the run you sell SMALL (\$1k lots at ask) and buy all red days. Only on real winners like [\\$tsnp](#). You buy red days not green and never panic sell. Left pic realized gains right pic unrealized
